

East Midlands, South Yorkshire, Humber Teaching Schools Alliances

Appointments are being made to two Strategic Coordinator roles to support the development of Teaching Schools within the East Midlands, South Yorkshire and Humber region

Position 1: Overall Regional Strategic Coordinator (EMSYH) including role of Sub Regional Coordinator (EM)

Position 2: Sub Regional Strategic Coordinator (SYH)

How to apply

A letter of application (max 4 sides A4 font size 11) should be addressed to Chris Wheatley, the TSC Area Representative and submitted to Jenni Dunne jdunne@flyinghightrust.co.uk by the following deadlines:

Position 1: Thursday 29th June 1.00pm Interviews will be held on Tuesday 4th July

Position 2: Thursday 6th July 1.00pm Interviews will be held Thursday 20th July

Position 1:

Overall Regional Strategic Coordinator (EMSYH) including role of Sub Regional Coordinator (EM)

This role is ideal for somebody with understanding and passion to support the development of the school-led improvement system in the East Midlands, South Yorkshire and Humber Region. Regional experience, understanding and knowledge of the priorities for the maturity of the system are required as is experience of collaboration between Teaching School Alliances and their strategic and delivery partners. Relevant experience of senior stakeholder engagement, leadership development, peer challenge, ITT arrangements and school improvement within a school led system is essential. They will need high levels of drive, self-motivation and have a bold ambition for what can be achieved.

The successful candidate will report to, and derive their work programme from the EMSYH TSC lead and will have specific responsibility for the East Midlands Sub Region. The Regional TSC Lead and the East Midlands Teaching Schools Company Directors will hold the Regional SC to account for the work in the East Midlands sub region.

The Regional TSC lead will discharge responsibility for directing the work of the Sub Region Strategic Coordinator (SYH) to the Regional SC post holder.

It is expected that the appointed person will be self-employed and will undertake up to 160 days over the 2017/18 academic year period.

Core elements of the role

- a) To support the continued development and maturity of the East Midlands Infrastructure, identifying and supporting the implementation of transferable elements into the South Yorkshire and Humber Sub Region.
- b) To direct the work of the Business Support Partner function provided to East Midlands, South Yorkshire and Humber Teaching Schools.
- c) To oversee and direct the work of the Sub Regional Strategic Coordinator, supporting the development of the SYH sub region infrastructure where necessary.
- d) To contribute to the development of strategic regional plans, co-ordinating their delivery and ensuring that TSC commissions are efficiently and effectively delivered.
- e) To provide additional strategic leadership capacity to the Regional TSC Lead (EMSYH) and region, supporting relationships with senior stakeholders including The Regional Schools Commissioner, Ofsted, Local Authority Colleagues and Diocesan Boards.

Continued

- f) To support the delivery of Strategic School Improvement activity including support for any regional infrastructure e.g SRIBs.
- g) To challenge and support the maturity of the Local Hubs, holding Local Hub Coordinators to account for local delivery of TSC commissions and representation of their constituency.
- h) To offer or broker support and challenge for the development of each Local Hub.
- i) To co-ordinate and help to facilitate/chair EMTSSG strategy and meetings.
- j) To substitute for the Sub Regional SC where business continuity is at risk.
- k) To serve as representative for the region as required.

Position 2:

Sub Regional Strategic Coordinator (SYH)

This role is ideal for somebody with understanding and passion to support the development of the school-led improvement system in the East Midlands, South Yorkshire and Humber Region, with specific knowledge of the South Yorkshire and Humber Sub Region. Sub Regional experience, understanding and knowledge of the priorities for the maturity of the system are required as is experience of collaboration between Teaching School Alliances and their strategic and delivery partners. Relevant experience of senior stakeholder engagement, leadership development, peer challenge, ITT arrangements and school improvement within a school led system is essential. They will need high levels of drive, self-motivation and have a bold ambition for what can be achieved.

The successful candidate will report to, and derive their work programme from the Regional TSC Lead (EMSYH) via the Regional Strategic Coordinator and will have specific responsibility for the South Yorkshire and Humber Sub Region.

It is expected that the appointed person will be self-employed and will undertake up to 100 days over the 2017/18 academic year period.

Core elements of the role

- a) To develop a Sub Regional Teaching Schools infrastructure, identifying and supporting the implementation of transferable elements from the East Midlands model into the South Yorkshire and Humber Sub Region.
- b) To identify sub regional knowledge and support/facilitate its transfer into the regional knowledge hub.
- c) To contribute to the development of strategic sub-regional plans, co-ordinating their delivery.
- d) To provide additional strategic leadership capacity to the Sub Regional TSC Lead and region, supporting relationships with senior stakeholders including The Regional Schools Commissioner, Ofsted, Local Authority Colleagues and Diocesan Boards.
- e) To support the delivery of Strategic School Improvement activity including support for any regional infrastructure e.g SRIBs.
- f) To challenge and support the maturity of the Local Hubs, holding Local Hub Coordinators to account for local delivery of TSC commissions and representation of their constituency.
- g) To offer or broker support and challenge for the development of each Local Hub.
- h) To substitute for the Regional Strategic Coordinator where business continuity is at risk.
- i) To serve as representative for the region as required.
